ELLIPSE

Why Ellipse?

- Two impressive 42' floorplans
- Unmatched performance of Maxum Chassis®
- Flexsteel® cab seats with heat/massage
- MCD solar/blackout roller shades
- LED lighting
- Stainless steel appliances
- Corian® countertops
- Aqua-Hot® heating system
- Exterior entertainment center with a 32" HDTV
- Polished porcelain tile floors

REFINEMENT AT ITS VERY BEST

Attention to detail has never looked so good. Welcome to the Itasca Ellipse.® Of course, the foundation of its beauty lies in the revolutionary Maxum® tag-axle chassis with lowered-rail construction that delivers a superior ride with astonishing exterior storage capacity. You will grasp the power of the 450-hp Cummins® diesel engine in the Flexsteel® luxury six-way adjustable cab seats that come standard with heat and massage, power lumbar support, and a queen passenger seat with a powered footrest. With two spectacular 42' floorplans, you can also choose the All Electric Coach that includes an induction range top and eliminates the need for LP. Stunning interior elements including Corian® countertops, porcelain tile flooring, LED ceiling lights, a security safe, and an electric fireplace add to the luxurious ambiance. When it comes to outdoor entertaining, an available pull-out Tailgate Package offers a single-burner induction range top, steel counter, lockable refrigerator/freezer, storage area, and cold water access. Plus, the 32" HDTV extends and pivots for optimal viewing. Comfort meets luxury and efficiency. Behold the Itasca Ellipse, refined for the sophisticated RV enthusiast.

RECOGNIZED QUALITY The RV Dealers Association bestows its annual Quality Circle Award based on dealer ratings to manufacturers that provide exceptional products, service and support. Only one manufacturer has received this award for seventeen consecutive years: Winnebago Industries.®

BEST IN CLASS

See how Winnebago Industries takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.®

Click on this icon throughout the brochure to link to more information on the web.

A wall-mounted **Security Safe** with removable shelves and an electronic key pad keeps your valuable items secure.

Keep your Ellipse looking new with the **Dirt Devil® Central Vacuum.**

Important gauges, switches and controls are all centrally located in the **OnePlace® Systems Center.**

Watch HD video from multiple sources, on multiple TVs simultaneously with the **HDMI 4x4 Matrix Video Selection System.**

The **Infotainment Center with Rand McNally RV GPS** has it all: 10.4" touch screen color monitor, compass, outside temperature, Bluetooth,™ turn-by-turn voice guidance, and so much more.

The **Rest Easy® Extendable Sectional Sofa** with available ottomans glides from a sofa to a lounger to a bed at the touch of a button.

The smooth-retracting **MCD Solar/Blackout Roller Shades** let you control your light and privacy—no matter the time of day.

Available **Recliner** with storage cabinet and pull-out table.

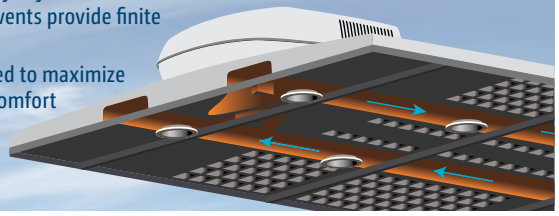
Eliminate the need for LP by selecting the All Electric Coach option, featuring the quick-heating **Induction Range Top.**

You will always have fresh, clean laundry during your travels when you select the available **Washer and Dryer.**

TRUEAIR®

TrueAir® Maximum Comfort A/C Three high-efficiency, low-profile, roof-mount cooling units and precision engineered ducting deliver unsurpassed cooling power.

- D-shaped, formed ductwork optimizes airflow
- Triple-zone thermostat controls offer precision cooling
- No roof air condensation
- Infinitely adjustable ceiling vents provide finite control
- Designed to maximize coach comfort



42GD Marbella with Coffee-Glazed Forest Cherry Cabinetry

We've made lounging an art. Let your relaxation begin in the Ultraleather™ furniture, which includes a Rest Easy® Extendable Sectional Sofa. The Ellipse is loaded with luxurious, as well as practical, amenities including porcelain tile flooring, MCD solar/blackout roller shades, a Blu-Ray™ Home Theater Sound System and LED ceiling lighting. Staying comfortable inside—no matter the temperature outside—is easy with the TrueAir® maximum comfort air conditioning and Aqua-Hot® heating system.

Available Ottomans

Beautiful coffee-glazed cabinetry, Corian solid-surface countertops with a matching backsplash and sink covers, and stainless steel appliances highlight the elegance of the galley. The residential stainless steel French door refrigerator, microwave, available dishwasher, and abundance of storage create a fully functional workspace for all your culinary creations. You can choose the available All Electric Coach option for an energy-efficient induction range top.

The Ellipse's commitment to comfort extends well beyond its interior. With its vast storage, you will have plenty of room to bring the necessities as well as the extras. An available 90" x 54" sliding storage tray allows easy access to gear from both sides of the coach. Choose the available Tailgate Package and experience the ultimate in outdoor entertaining with a single-burner induction range top, stainless steel counter, refrigerator/freezer storage and cold water access. With the exterior entertainment center, you can watch all your favorite programs on the 32" HDTV that extends and rotates for easy viewing. A powered hose and cord reel, along with a QuickConnect® hose nozzle, makes hookups a snap. Keep hoses connected even when the compartment door is shut thanks to the QuickPort® service connection hatch.

Fiberglass Roof
The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Thermo-Panel® Sidewalls
By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable and lightweight sidewalls.

E-Coating An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

Laser-Cut Tubing Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Interlocking Joints Specially engineered interlocking joints connect the floor, sidewalls and roof where competitors often rely on simple screws to bear the weight.

Solid Framework Aluminum extruded in our own facility to our exacting standards creates an extremely strong and solid structural framework.

SUPER STRUCTURE®
BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago Industries'® legendary SuperStructure® construction standards. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

MAXUM® CHASSIS

3-point engine mounting reduces engine vibration.

Engine compression brake uses the engine to slow the coach, promoting longer brake life.

Allison® 3000 MH 6-speed automatic transmission includes a touchpad control for ease of use.

Rear axle incorporates proprietary gear machining for a smoother, quieter ride.

The lowered-rail design moves intrusive rails from storage areas, creating up to 199 cubic feet of storage.

ZF IFS front suspension and NeWay® rear air suspension provide superior ride and handling.

15,000-lb. trailer hitch[6]

Taller, pass-through storage height accommodates bulky items.

Extra space in critical areas allows for more pass-through storage.

Up to a 60° wheel cut provides a tighter turning radius and better maneuvering.

"Clean Air Diesel" 450-hp ISL Cummins® engine delivers hill-climbing power when you need it most.

Color-coded air lines make service easy.

Low frame rails create a lower center of gravity, improving stability.

Winnebago Industries' SuperStructure integrated with the lowered-rail design creates a chassis that is seven times stronger than typical raised-rail chassis designs.

Dual-fill fuel tank.

Michelin® tires and polished aluminum wheels look sharp.

4-wheel ABS anti-lock air brakes provide fast stopping power.

A True Work of Art

You may not be able to see the Freightliner® Maxum Chassis as you're driving through the Rockies, but you'll know it's there. Its powerful Cummins turbo-charged diesel engine and Allison® transmission go to work so you don't have to sweat the peaks and valleys ahead.

Through a strong partnership with Freightliner, the undisputed leader in diesel motorhome chassis, we set a new standard for handling, ride and performance in diesel chassis design.

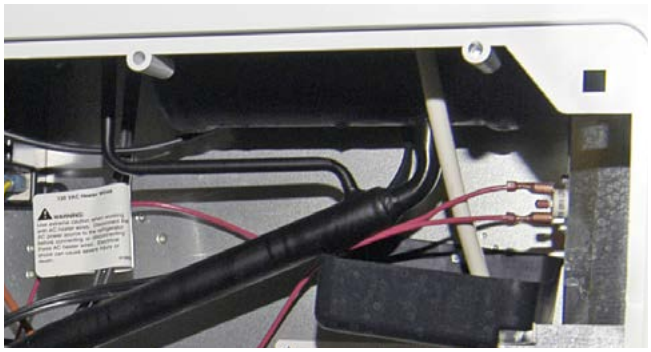
But performance doesn't mean sacrificing storage. The innovative lowered-rail design of the Maxum Chassis opens up a cavernous basement storage compartment, offering up to 199 cubic feet of storage.

TESTING

Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS

At Winnebago Industries, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago Industries maintains a clean fit and finish throughout so your coach will last for the long haul.



BUILT IN-HOUSE

We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

SUPER STRUCTURE®

BUILT TO LAST

Visit **BetterBuiltRVs.com** to gain real insight into what goes into a Winnebago Industries motorhome.

TAKE A TOUR

We're proud of our processes, state-of-the-art facilities, and the people who make Winnebago Industries number one. We invite you to visit our complex in Forest City, Iowa, for a first-hand look at the dedication and technology behind every motorhome we build.

Warranty[7]

12-month/15,000-mile basic limited warranty[8]

36-month/36,000-mile limited warranty on structure[8]

10-year limited parts-and-labor warranty on roof skin[8]

1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.

2 Floorplans feature a wide-body design–over 96." In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.

3 The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.

4 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

5 Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.

6 Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

7 See separate chassis warranty.

8 See your dealer for complete warranty information.

NA Not Available

Not all items available in combination. See dealer for details.

Winnebago Industries'® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications

OUT OF THIS WORLD

2014 WIT CLUB GNR '69

GRAND NATIONAL RALLY

In 1969, two things happened: Neil Armstrong took mankind's first steps on the moon, and Winnebago Industries' WIT Club launched its first Grand National Rally in Forest City, Iowa. Every year since then, thousands of rally-goers connect with old friends to enjoy concerts, tours, activities, and more. Blast off for an adventurous week in July to celebrate 45 years of interstate land roving at the 2014 "Out of This World" Grand National Rally. It's a mission you'll never forget!

©2013 Winnebago Industries, Inc.

Seat belts are your most important hookup. Always buckle up.
